

## GENERAL INFORMATION

Cairo has always been attracting travelers, dating back over 10 centuries ago to the time of the Mamluks. Cairo is one of the world's largest urban areas and offers many sites to visit. It is the administrative capital of Egypt and close by is almost every Egypt Pyramid, such as the Great Pyramids of Giza on the very edge of the city.

There are also ancient temples, tombs, gorgeous Christian churches, magnificent Muslim monuments, and of course, the Egyptian Museums either within or nearby to the city, including the famous Egyptian Museum holding the unmatched golden treasures of King Tot Ankh Amon.

The weather in Cairo in November is usually quite pleasant. Temperatures range from 21C-25C.

## WELCOME MESSAGE

It is a great pleasure to welcome you to 10<sup>th</sup> Biennial Conference of Pan African Pediatric Surgical Association (PAPSA), Cairo 10-14 November, 2014 *in collaboration with 29<sup>th</sup> annual meeting of the Egyptian Pediatric Surgical Association [EPSA], with support from the British Association of Pediatric Surgeons (BAPS) International Forum.*

The program promises to be exciting, reflecting the diversity of pediatric surgical practice across Africa in different settings. In addition to a wide range of general pediatric surgery, specialty areas of interest will include neonatal surgery, oncology, pediatric urology, plastic surgery, minimal invasive surgery in children, etc.

There will be pre-conference courses on genitoplasty for patients with DSD (9<sup>th</sup>-10<sup>th</sup> November, 2014), Minimally Invasive Surgery (10<sup>th</sup> -11<sup>th</sup> of November), and the BAPS Neonatal Surgical Skills Course [11<sup>th</sup> of November].

Many world renowned international faculty have been invited to present several state-of-the-art lectures. The program will be enriched with two mini-symposia on "Disorders of Sexual Development (DSD)", and challenges of pediatric surgical training in Africa. Submission of papers on all aspects of pediatric surgery pertaining to Africa is most welcome.

The venue for this leading event has been selected carefully, and is sited at the bank of River Nile close to the world renowned Tahrir Square, Egyptian Museum and many other attractions. The venue has an excellent congress facilities with a nearby wide selection of hotels that fits various budgets.

This congress allows a great opportunity for representatives of the major international pediatric surgical association to define the real need for pediatric surgeons in Africa and to initiate a sustainable cooperation in the future.

We look forward to seeing as many of our colleagues from the African Continent as possible and also as many of those pediatric surgeons from around the world to join us at the land of civilization. A very rich social program will be arranged for our guests and their accompanying family members.

Please join our local and international experts for this exciting event. We look forward to meeting you in Cairo from **10<sup>th</sup> - 14<sup>th</sup> of November, 2014!**

**Chairman**  
*Prof. Essam Elhalaby*
